

Subpart C—Individual Employer Records

§ 345.201 Individual employer record defined.

Effective January 1, 1990, the Board will establish and maintain a record, hereinafter known as an Individual Employer Record, for each employer subject to this part. As used in this subpart, “Individual Employer Record” means a record of each employer’s benefit ratio; reserve ratio; 1-year compensation base; 3-year compensation base; unallocated charge; reserve balance; net cumulative contribution balance; and cumulative benefit balance. See § 345.302 of this part for a definition of these terms. Whenever a new employer begins paying compensation with respect to which contributions are payable under this part, the Board will establish and maintain an individual employer record for such employer.

§ 345.202 Consolidated employer records.

(a) *Establishing a consolidated employer record.* Two or more employers that are under common ownership or control may request the Board to consolidate their individual employer records into a joint individual employer record. Such joint individual employer record shall be treated as though it were a single employer record. A request for such consolidation shall be made to the Director of Assessment and Training, and such consolidation shall be effective commencing with the calendar year following the year of the request.

(b) *Discontinuance of a consolidated employer record.* Two or more employers that have established and maintained a consolidated employer record will be permitted to discontinue such consolidated record only if the individual employers agree to an allocation of the consolidated employer record and such allocation is approved by the Director of Assessment and Training. The discontinuance of the consolidated record shall be effective commencing with the calendar year following the year of the Director of Assessment and Training’s approval.

§ 345.203 Merger or combination of employers.

In the event of a merger or combination of two or more employers, or an employer and non-employer, the individual employer record of the employer surviving the merger (or any person that becomes an employer as the result of the merger or combination) shall consist of the combination of the individual employer records of the entities participating in the merger. Where the person surviving the merger is an existing employer under part 202 of this chapter, the individual employer record for the surviving employer will not be updated to reflect the combined record until the calendar year following the year of the Board’s determination. Where the entity surviving the merger becomes an employer under part 202 of this chapter by virtue of the merger, the individual employer record shall consist of the combined record effective with its employer effective date.

§ 345.204 Sale or transfer of assets.

(a) In the event property of an employer is sold or transferred to another employer (or to a person that becomes an employer as the result of the sale or transfer) or is partitioned among two or more employers or persons, the individual employer record of such employer shall be prorated among the employer or employers that receive the property (including any person that becomes an employer by reason of such transaction or partition), in accordance with any agreement among the respective parties (including an agreement that there shall be no proration of the employer record). Such agreement shall be subject to the approval of the Board. Where the employer acquiring the assets is an existing employer under part 202 of this chapter, that employer’s individual employer record will take into consideration the acquired assets no earlier than the calendar year following the year of the Board’s determination, unless an agreement among the respective parties provides otherwise. § 345.301

by virtue of such acquisition, the individual employer record for such employer shall consider the acquired assets as of such person's employer effective date, subject to any agreement between the respective parties and the provisions of paragraph (b) of this section.

(b) There shall be no transfer of the employer record where an employer abandons a line of track in accordance with the provisions of the Interstate Commerce Act and the applicable regulations thereunder, and a new entity, found by the Board to be an "employer" under part 301 of this chapter, is formed to operate or continue service over such line; the Board will assign to such entity a new-employer contribution rate in accordance with section 8(a)(1)(D) of the RUIA and § 345.304 of this part.

§ 345.205 Reincorporation.

The cumulative benefit balance, net cumulative contribution balance, 1-year compensation base, and 3-year compensation base of an employer that reincorporates or otherwise alters its corporate identity in a transaction not involving a merger, consolidation, or unification will attach to the reincorporated or altered identity.

§ 345.206 Abandonment.

If an employer abandons property or discontinues service but continues to operate as an employer, the employer's individual employer record shall continue to be calculated as provided in this subpart without retroactive adjustment.

§ 345.207 Defunct employer.

If the Board determines that an employer has permanently ceased to pay compensation with respect to which contributions are payable under this part, the Board will, on the date of such determination, transfer the employer's net cumulative contribution balance as a subtraction from, and the cumulative benefit balance as an addition to, the system unallocated charge balance and will cancel all other accumulations of the employer. The Board's determination that an employer is

defunct will be based on evidence indicating that the employer has ceased all operations as an employer and has terminated its status as an employer. In making its determination, the Board will consider evidence as described in part 202 of this chapter with respect to termination of employer status under the Railroad Retirement Act. Mere failure of an employer to pay contributions due under this part does not indicate that such employer is defunct.

§ 345.208 System records.

Effective January 1, 1990, the Board will establish and maintain records necessary to determine pooled charges, pooled credits, and unallocated charges for the experience rating system and will publish a notice with respect thereto no later than October 15 of each year. See § 345.302 of this part for the definition of these terms.
